This is an Open Access article distributed under the terms of the Creative Commons Attribution License (<http://creativecommons.org/licenses/by/2.0>), which permits unrestricted use, distribution, and reproduction in any medium, provided the original work is properly cited.

Although he was listed as an author in the original submission of an article published in *BMC Ear, Nose and Throat Disorders* by Cetik *et al.* [1], Dr Ramazan Gun was not included in the author list of the published version. The authors agree that Dr Gun meets the criteria for authorship, and should be considered to be an author of Cetik *et al.* 2006.
